

DONATIEN LENOIR

Student at ENSCI - Les Ateliers Design School and CentraleSupélec Paris-Saclay Engineering School

ACADEMIC PROFILE

ENSCI - Les Ateliers

Paris
2018 - 2022

Industrial Design Master's Degree

ENSCI - Les Ateliers is a singular Design School that offers a multidisciplinary curriculum, it trains designers in the broadest sense. Through this formation I am learning to work in multiple contemporary applications of design: product, digital, space, communication and services. It is ranked second in European and American schools and universities in the Red Dot Design Ranking 2016.

CentraleSupélec Engineering School

Paris
2016 - 2020

Engineer degree - Master of science in product engineering and operational management

France's second best engineering school.
Innovation and R&D strategy major: drive innovation, design products with an understanding of cost, producibility, quality, performance, reliability, serviceability, intended lifespan and user features.
Operational management minor: developing managerial skills and attitudes needed to perform managerial functions regardless of the sector of activity or the type of company.

Lycée Jean-Baptiste Say

Paris
2014 - 2016

Post-secondary preparatory classes

Undergraduate courses with maths and physics major. Predominance given to the notions of product engineering and innovation.

Lycée Blanche de Castille

Le Chesnay
2014

High school diploma - French baccalaureate

Scientific major, with high honors

EXPERIENCE

Hermès

2020

Designer Assitant of Jean-Simon Roch for the making of a 13m x 3m structure filled with fanciful industrial machines for a Manhattan store inauguration.

Safran Seats

2019

Airplane seat project for Safran Seat, one of the leaders of the industry. I worked on the aspect of storage for long-haul flights and realized a scale 1 prototype.

GéoVélo

2018

Bike GPS project for the start-up GéoVélo. I created a mobile device that conveniently shows the way while keeping the phone safely in the user's pocket.

INTERNATIONAL

Bolivia

2014

Humanitarian project

One month

India

2012 - 2013

American School of Chennai

Grade 11

South Africa

2011

School exchange in Cape Town

Two months

PROJECTS

Hyris Television

2016 - 2018

Secretary-General

CentraleSupélec media association

RAID CentraleSupélec

2017 - 2018

Head of innovation and development

Association organizing the biggest student trail and mountain-bike race in Europe (250km during 5 days)

Le Rush
